Carl was skilled in metal work and his welders, related equipment and an assortment of sheet metal are being sold. He also enjoyed working on the family's farm and had a vast array of new and antique tools, equipment, and vehicles (a Polaris, Bobcat with attachments, Jeep, 1-ton winch truck and Taurus). Carl and his wife, Juanita, who predeceased him, also had 2 children's ride-on antique horses, dishes, furniture, small kitchen appliances, a piano that belonged to Carl's cousin, Margene Savage, who was Miss Kansas in 1964 and so much more.
